

AOC becomes a NEW

"Friend of the Foundation"

POUDRE VALLEY HEALTH SYSTEM

Foundation

We are proud to announce that All Occasions Catering is now a member of and donor to Friends of the Foundation, an umbrella foundation for Medical Center of the Rockies Foundation and Poudre Valley Hospital Foundation. Their mission is "to philanthropically support and promote activities that best serve the health and trusts of the people in the regions they serve."

From assisting patients with expensive medications, to developing educational programs for the community about general health precautions...the foundation uses all of the donated funds to support those in need and help accomplish their overall mission - "Community. Health. Commitment."

Let's support our local healthcare providers, and give back to our
community!
